The Honorable Kay Granger  
Chairwoman  
Committee on Appropriations  
Washington, D.C. 20515

The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations  
Washington, D.C. 20515

Dear Chairwoman Granger and Ranking Member DeLauro,

I am requesting community project funding for the City of Henderson's Prototype Park in fiscal year 2024.

The entity to receive funding for this project is the City of Henderson, located at 240 S. Water Street, Henderson, NV 89015.

The funding would be used to create a park centered around water conservation, lessening the heat island impact, and sequestering carbon, and providing an exciting outdoor space for the community to recreate.

The project is an appropriate use of taxpayer funds because it has recreational benefit, as well as serving as an educational tool on sustainability for the public and the Western states along the Colorado River amid an historic drought.

The project has a Federal nexus because the funding provided would be for purposes authorized by 42 U.S.C § 5305(a)(1).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in cursive script that reads "Dina Titus".
